### Technical data

#### Mechanical characteristics

|                             |                           |
|-----------------------------|---------------------------|
| Locking type                | Push Pull                 |
| Insertion/withdrawal cycles | ≥ 500                     |
| Color                       | black                     |
| Degree of protection        | IP65/IP67                 |
| Design                      | RJ45, IP65/67, version 14 |

#### Ambient conditions

|                                 |                  |
|---------------------------------|------------------|
| Ambient temperature (operation) | -40 °C ... 70 °C |
|---------------------------------|------------------|

#### Material data

|                                        |         |
|----------------------------------------|---------|
| Flammability rating according to UL 94 | V0      |
| Housing material                       | PA-GF   |
| Material                               | Plastic |
| Sealing material                       | NBR     |
| Seal material                          | NBR     |
